

VIRGINIA 
2-1-1TM
2010 • 2011
ANNUAL REPORT

2-1-1 VIRGINIA provides free and confidential information and referrals, 24-hours a day. This year, five regional call centers recorded their highest volumes ever, with a significant increase in requests for housing and utility assistance.

“2-1-1 raises our visibility as a health department and helps us with the difficult job of getting our service information out to the public.”

Dr. Kerry Gateley
 Central Virginia Health District,
 Virginia Department of Health

133,655

TOP IDENTIFIED NEEDS FOR FISCAL YEARS 2009 - 2011

Housing and Utilities Assistance

Housing and utilities assistance has been the highest identified need in the last two years, consistent with economic and unemployment trends.

Calls in this area have **increased 97%** from 2,027 in 2009 to 68,126 in 2011. Most inquiries in this area were related to utility assistance, followed by housing assistance.

Food and Meals

Food and meals was the highest identified need or request for information in 2009 (18,257). These identified needs fell to 4,839 in 2011. This area includes information on food pantries and foodbanks, as well Supplemental Nutrition Assistance Program.

This correlates with increases in the SNAP caseload and recent statistics that show

Virginia is in the nation for food security. **2nd**

- United Way of Greater Richmond & Petersburg

“2-1-1 is an invaluable resource. Whether you are looking for a specific resource or you don’t know where to turn, 2-1-1 can point you in the right direction.”

The best part is, you can find information anytime you need it, regardless of the time of day. I have used and recommended 2-1-1 to hundreds. Overall, we are fortunate to have this free, helpful resource in our community. I will continue to utilize the resource, while promoting it to others.”

Denise Scruggs
M.A., M.S., B.S.W.

Director, Beard Center on
Aging at Lynchburg College
